PEOPLE AND IDEAS YOU CAN TRUST.™

Commercial Curb Appeal

Daikin brand commercial packaged products offer outstanding performance. Many retrofit applications do not require transition curbs. Look to Daikin brand commercial packaged products to deliver durable and reliable performance.

DAIKIN BRAND DCH Heat Pump Packaged Units

Comfort for life

Daikin is a global leader for indoor comfort, with millions of systems installed throughout the world. Today, millions and millions of people trust Daikin to deliver comfort for life to families and businesses alike.

Dependable compressor

One of the most critical components of a packaged heat pump is the compressor. Daikin brand DCH Packaged

Heat Pumps boast high-performance, high-efficiency compressors, which operate in tandem with our high-efficiency coil. The coil is made of refrigeration-grade copper tubing and aluminum fins in a design that maximizes surface area. These high-quality components together cool and heat effectively. This exceptional construction offers one of our best levels of reliability, durability, and efficiency you'll find in a compressor.

FEATURES:

- 1 Built-in filter rack with standard 2" filters
- 2 Convertible airflow – horizontal or downflow
- 3 Full-perimeter base rail; Footprint fits many existing curbs without a curb adaptor (3- to 12½-ton units)
- 4 Copper tube/aluminum fin evaporator coil
- 5 High-efficiency compressor
- 6 SmartCoil™ condenser (in select models)

...AND BENEFITS:

- Energy-efficient heating and cooling performance
- Chlorine-free R-410A refrigerant
- Heavy-gauge, galvanized steel cabinet with UV-resistant powder-paint finish resists weather and time
- Air Conditioning, Heating, and Refrigeration Institute (AHRI) certified

ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

R-410A refrigerant

Compared to packaged units using R-22 refrigerant, your new Daikin brand DCH Packaged Unit will not only provide you with energy-saving performance for many years, but it also features R-410A refrigerant. This refrigerant does not contain chlorine.

Introduced in 1995, R-410A refrigerant has helped increase the durability and reliability of air conditioner compressors.
